# MYSPACE

A black and white photograph capturing a candid moment between two individuals. On the left, a man with a beard and mustache, wearing a dark jacket over a light-colored shirt, looks directly at the camera with a slight smile. On the right, another person, whose face is partially obscured by a white cloth held by the man on the left, is laughing heartily. The setting appears to be backstage, with various equipment and cables visible in the background.

INTERACT

A black and white photograph of an airplane cabin interior. The perspective is looking down the aisle between two rows of dark, upholstered seats. Overhead bins are visible above each row. The ceiling features recessed lighting fixtures. In the center of the image, the word "ISOLATE" is written in large, bold, white capital letters with a thin black outline. The letters are slightly staggered, creating a sense of depth.
